# ANNUAL REPORT TO STOCKHOLDERS ORATION FILE Montgomery Ward & Co., Incorporated

Chicago, Illinois, February 1, 1921.

### TO STOCKHOLDERS:

We beg to hand you a copy of our Annual Statement for the year 1920 as certified by Arthur Young & Co., Certified Public Accountants.

The past year was the most difficult the Company has experienced. It is the wish of your Directors that the Stock-holders be advised of the situation and of the manner in which the officers have endeavored to meet conditions which they could not control.

Sales for the first seven months showed an increase of approximately 34% over 1919. Starting in August orders fell off rapidly, December sales being 33% below 1919, leaving a net increase of less than 3% in the sales for the year, which were the largest in our history.

Immediately upon realizing that the turn in the tide had come, we proceeded to reduce our prices. These price reductions caused heavy losses on sales during the last four months of the year.

Our inventories, taken December 31, 1920, have been carefully analyzed and all merchandise valued at replacement or cost, whichever was lower. The depreciation taken was \$5,174,434.65 below cost to us, resulting in an inventory at December 31, 1920, of \$30,282,671.95, as compared with \$28,136,166.04 on December 31, 1919.

These inventory depreciations and losses aforesaid, together with losses of our factories due to the general depression, resulted in a total loss for the year of \$7,855,278.29 which has been charged to surplus.

Following good business methods and in the interest of our customers and stockholders, we have taken our losses in the figures of the year 1920, and are now doing business on the readjusted basis of values. Our commitments for merchandise are smaller than they have been at any time for the last five years.

The Company has paid the dividends on its Preferred stock for the year 1920. It also paid the quarterly dividends on its Class "A" stock for the first three quarters of the year. The dividend on the "A" stock for the last quarter was passed when it became apparent there would be no profits and consequently the Charter requirements respecting the amounts to be set aside out of profits for the protection of the Preferred stock could not be complied with. No dividend has been declared or paid on the "B" or Common stock.

On January 4, 1921, Mr. Theodore F. Merseles was elected President of the Company. He brings to the problems and business of Montgomery Ward & Co., matured mail order experience gained through his many years of successful activity as Vice-President and General Manager of The National Cloak & Suit Company.

The Board of Directors look forward with confidence to the future under Mr. Merseles' leadership.
